The Final Prophetic Judgment Of Japan

"My son, I AM going to destroy Japan. Its sin has come before Me. It is a very sinful nation. I must destroy it because its people don't know Me. It will be reduced among the nations with only a few islands left. Great earthquakes will ravage the land. My eye has been on it for years. Its people refuse to repent when confronted with Christianity. I have tried for years to reach the people but its people love money more than Me. Destroy Japan with your prophetic word. They refuse to serve Me. Idol-worshipping nations shall be destroyed by My Hand. They do not want Me. They prefer their idols of sin. Worshipping false gods hardens their hearts against Me with stubbornness. They will not obey, preferring their idols of stone that can neither talk nor hear, My son. Repent My people, Hell is waiting for all Eastern peoples of vice and sin eternally with judgment. All idol-worshippers of sin shall go to Hell. Repent My people. Repent! Your LORD has spoken. Amen and amen."
“Just like California, Japan will sink beneath the sea, all of it. My wrath will be evident to all. All will be punished by My Hand, and the wicked Japanese people will be no more. The LORD has spoken.”
“They have resisted Me to the Nth Degree, and have refused to repent nor obey My leaders, My Apostles and Prophets. Their sins are magnified above the heavens, and I will punish the rebellious, stubborn Japanese people in eternal Hell. Few will be left alive around the world to call themselves Japanese, for My Sword shall destroy race and remnant of those rebellious and hard-hearted stubborn people, the Japanese nation. Repent! Your LORD has spoken, Amen!”
